Schedules of Provident Funds:
Defects in the -

GOVERNMENT OF BOMBAY
POLITICAL AND SERVICES DEPARTMENT.
Circular Memorandum No. 1575/34.
Bombay Castle, 16th February 1949.

CIRCULAR MEMORANDUM.

It has been brought to the notice of the Government of Bombay that notwithstanding the instructions contained in the General letter of the Accountant General, Bombay, No. 12, F.I. 1297, dated the 20th June 1947 (copy enclosed for ready reference), the following defects continue to persist in the various Provident Fund Schedules accompanying the pay bulls:-

(i) Fund account numbers are not being shown;

(ii) deductions are made in the case of new subscribers before a number is allotted; and as in of subscribers whose accounts are maintained by different accounts officers are mixed up.

This has given rise to a large number of missing credits in the Provident Fund Accounts and great difficulty is being experienced in tracing them. The present unsatisfactory state of affairs is, therefore, brought to the notice of the Departments and Officers concerned and it is requested that all disbursing officers under their respective control should be warned that payment of bills which are not accompanyined by proper Provident Fund Schedules are liable to be stopped with effect from March 1949.

Chief Secretary to Govt.,

Copy of General Letter No. 12 (F.I. 1297, dated the 20th June 1947) from the Accountant General, Bombay, Addressed to all Heads of Offices.

Subject- Preparation of the Provident Fund Schedules in the Offices of the Disbursing Officers.

I have the honour to state that the General Provident Fund schedule attached to the estt. pay- bills are not being properly prepared in accordance with the instructions contained in this office General Letter, No. 3 No. P.F. 13/4079, dated 1st September 1931, with the result that a good deal of time has to be wasted in the audit office by the machinists having to change the order of the legdercard every month before they begin the posting. This is causing delay in the completion of the monthly accounts and with a view to bringing the work in this office up to date and to facilitate the monthly posting of funds accounts. I therefore request you kindly to have forms of schedules printed immediately or typed on good papers sufficient to meet a year's requirements.

2. The following points should be borne in mind before the schedules are either got printed or typed:-

(a) The names of subscribers should be arranged the schedule in the serial order of the account nurs.

(b) The account numbers allotted by this office should be given against the names of subscribers.

3. The names of new subscribers and of those transferred from other offices sho ld be given at the end of the schedules during the year and brought to their respective places on the next year's list, vide copy of paragraph (1) of the General Letter No. 3 of 1931 enclosed for ready reference.

Copy of paragraph (1) of the General Letter of 1931.

Memo. of instructions for the preparation of the fund schedules in the offices of the disbursing officers.

(1) The Fund schedules should be prepared in the revised General Provident Fund Form No. 8 wherein the names of subscribers to the General Provident Fund should be recorded in the order of serial account numbers assigned to them, e.g. if in an officer there are 4 subscribers to the fund bearing account Nos. 37, 49, 58 and 69, entries relating to No. 37 should appear first, then those relating to 49 and so on. With this object in view, columns 1 and 3 of the schedules should be roneoed or printed once for all in forms sufficient for a year's requirements. This will reduce clerical work in disbursing offices and will at the same time obviate the quoting of wrong account numbers in the monthly schedules. The names of new entrants and old subscribers transferred from other offices should in the course of the current year be entered in roneoed or printed schedules after the names of the existing subscribers, but after the expiry of the year, they should find a place according to the serial order of their account numbers.
